WCPS Project Proposal

Project Name:

WCPS (Web Based Claim Processing System).

Abstract:

Web Based Claims Processing System (WCPS) will permit to enter new claim, track the claim status and maintaining master information. The main users of the project are Employee of all departments and Employee of CPD – Claim Processing Department.

Web Based Claims Processing System (WCPS) is complete end to end solution to cover all aspects of online claim, approval and reimbursement system

Advantages

Provides complete web based solution, including employee registration, enter new claim, approve/ reject claim. Complete web based administration. Employee can view their claim status online and all claims can be treated as Pending, Approved and Rejected.

Project Scope:

Web Based Claims Processing System Project consists of two functional elements: enhanced Employee modules for Login, Apply for new claim, view status of already applied claim. CPD module for approve/reject claim, view pending status, Add/Edit employee details.

- **Employee Module :**

  Apply for claim and view the status of application.

- **CPD Module :**

  View the claim, approve and reject the claim.

Modules:

New Employee Registration, Login, Apply Claim, View Status, Approve Claim, View Reports, Modify details, My Account, Change Password, etc.

Software Requirements:

- ASP.Net, C#
- Visual Studio 2010 / 2012 / 2015 / 2017
- SQL Server 2008 / 2014

Hardware Requirements:

Processor: Preferably 3.0 GHz or Greater.

RAM : 1 GB or Greater.

Limitations of the Software:

This project was developed to fulfill user requirement; however there are lots of scope to improve the performance of the Web Based Claims Processing System (WCPS) in the area of user interface, database performance, and query processing time. Etc.

Future Enhancements:

- SMS and Email alert for claim notification.
- Integration with other legacy accounting database through Web Service.

Project Details:

- No of Form, Pages, Reports in project source : **11**
- No of database tables : **5**
- No of pages in project report : **100**
